#### About McDonald's Australia

Australia's first McDonald's restaurant opened in Yagoona, Sydney, in 1971. Today there are over 950 McDonald's restaurants across Australia, 80 per cent of which are franchised and run by local businessmen and women. The organisation employs more than 100,000 people in restaurants and corporate offices Australia-wide, and is the largest employer of youth in the country. McDonald's creates more than 6,000 new jobs each year and spends over \$40 million per annum on training and people development. McDonald's suppliers export \$175 million worth of Australian products annually.
