Each Eligible Product may not be available for sale in all McDonald's Restaurants at all times during the Purchase Period. The Promoter accepts no responsibility for any Eligible Product(s) being unavailable at a McDonald's Restaurant during the Purchase Period.
12. Eligible Products may only be purchased when the relevant Eligible Product is available at McDonald's Restaurants.
13. **PLAYS** Plays may either be physical tickets (**physical Play**) or digital (**Electronic Play**). Physical Plays will be attached to Eligible Product packaging and will be randomly distributed by the Promoter (or its nominated agents) to participating McDonald's Restaurants based on reasonably anticipated demand. Physical Plays may not be available in all McDonald's Restaurants at all times during the Purchase Period. The Promoter accepts no responsibility for physical Plays being unavailable at a McDonald's Restaurant during the Purchase Period. Second or additional electronic Plays will be issued in the manner directed in the Application. Each physical Play will contain a twelve (12) digit alphanumeric unique code listed above the 'Redeem By' date on the bottom of the ticket ("**Unique Play Code**").
14. Additional Promotion cards will also be generated physically, with one (1) Play attached to a Promotion card ("**Contingency Card**"), and randomly distributed by the Promoter (or its nominated agents) to McDonald's Restaurants based on reasonably anticipated demand. Contingency Cards may not be available in all McDonald's Restaurants at all times during the Purchase Period. The Promoter accepts no responsibility for Contingency Cards being unavailable at a McDonald's Restaurant during the Purchase Period. A Contingency Card may be issued to an Entrant at the Promoter's discretion including an Entrant who, during the Purchase Period, purchases from a McDonald's Restaurant any Eligible Product and the corresponding number of Plays for that Eligible Product are not attached to the Eligible Product's packaging. Under these Conditions of

Entry, a Play that is attached to or associated with a Contingency Card is deemed to have been attached to the Eligible Product with which it was issued.

15. There are four (4) types of Plays (which may be either physical Plays or Electronic Plays):
 - a. **“Instant Win”** Plays;
 - b. **“Collect to Win”** Plays;
 - c. **“Chance Card”** Plays; and
 - d. **“Chance Card Code”** Plays.
16. A maximum of up to 213,286,817 Plays (either physical or Electronic Plays in the Promoter's discretion) will be distributed to McDonald's Restaurants or Entrants for the Promotion. On average across all Plays, at least one (1) in four (4) Plays will yield a prize. For the avoidance of doubt, the Promoter does not guarantee that Entrants purchasing four (4) or more Eligible Products (as the case may be) will find a Play that yields a prize.

CHANCE CARD CODE PLAYS

17. Entrants must be or become registered members of MyMacca's and accept to participate in the Monopoly Game in the manner directed within the Application, in order to receive a Chance Card Code Play electronically. Chance Card Code Plays will be randomly distributed by the Promoter (or its nominated agents) physically and/or electronically during the Promotional Period to participating McDonald's Restaurants or Entrants directly (**“Chance Card Code Plays”**). A Chance Card Code Play may be issued (either physically or digitally at the Promoter's discretion) to an Entrant at the Promoter's discretion including who, during the Purchase Period, purchases from a McDonald's Restaurant any Eligible Product. Chance Card Code Plays may not be available in all McDonald's Restaurants at all times during the Purchase Period.
18. The Promoter accepts no responsibility for Chance Card Code Plays being unavailable at a McDonald's Restaurant during the Purchase Period. Each Chance Card Code Play will contain a Unique Play Code. A digital Chance Card Code Plays may be redeemed in the manner directed in the Application and it may take up to one (1) week for the Entrant to receive the digital Chance Card Code Play.

PLAYS CANNOT BE TRANSFERRED

19. A Play (including a Play attached to Eligible Product packaging or a Contingency Card) cannot be transferred by the Entrant who purchased the Eligible Product, to any other person, whether by gift, sale, trade, barter, auction or otherwise by 'transferring to another', and whether the transaction was initiated privately or in a public forum, including but not limited to via online auction or purchase sites (for example eBay and Gumtree) or used for any other purpose. Such online auction or purchase sites may not permit the sale of lottery tickets on their sites and also generally prohibit their users from infringing any laws, third party rights or the policies of the site itself.
20. Any Play that has been transferred is void and accordingly, a prize claim that includes any Play that has been so transferred is invalid. Any person who is a party to such a transfer may be refused entry into or disqualified from participating in the Promotion in the Promoter's sole discretion. For the avoidance of doubt, any game materials produced for any other promotions or games anywhere in the world, including any other McDonald's promotions, or past McDonald's Monopoly® promotions or any Monopoly® board games, are invalid for the purposes of this Promotion.
21. Notwithstanding the prohibition on Play transfer, the Promoter is not required to establish in any case whether the Play(s) in a prize claim has/have been transferred.

HOW TO PLAY AND ENTER

22. The Promotion is entered by playing the game (a **Play**). To play, an Entrant must, during the Purchase Period:
 - a. purchase any one (1) or more Eligible Products from a participating McDonald's Restaurant while Eligible Products are available for sale in that participating McDonald's Restaurant; and
 - b. for a physical Play, carefully remove the ticket attached to the Eligible Product packaging or Contingency Card in the manner directed on the ticket or packaging; or

- c. for a digital Play, in the manner directed in the Application and via the Application;
- d. to reveal a promotional message (the “**Promotional Message**”) or chance card message (the “**Chance Card Message**”), and the Unique Play Code.

CHANCE CARDS

23. If the Play contains the Chance Card Message, the Play is a Chance Card Play. The Chance Card Play entitles the Entrant to play one (1) of three (3) available promotional games (the “**App Game**”) on the Application in order to reveal an Electronic Play, namely an Instant Win Play or Collect to Win Play.
24. To participate in the App Game and reveal an Electronic Play, Entrants must, during the Promotional Period:
 - a. download and launch the Application on their compatible mobile device. The Application is available free of charge and can be downloaded via the Apple App Store for Apple iPhone devices or via Google Play for Android devices; and
 - b. follow the prompts of the Application in the manner required to fully and correctly register the Entrant’s Chance Card Play to access the App Game; and
 - c. play the App Game in the manner required on the Application and as described in these Conditions of Entry to reveal an Electronic Play. Each Electronic Play will contain a Promotional Message and may contain a digital code (the “**Electronic Prize Code**”); and
 - d. follow the prompts in the manner required to either:
 - if the Entrant is not yet a member of MyMacca’s, join MyMacca’s in the manner required by registering an account (“**MyMacca’s Account**”) as set out in Condition 48 below; or
 - if the Entrant is already registered for a MyMacca’s Account, log-in to their MyMacca’s Account by fully and correctly submitting the email address for their MyMacca’s Account and clicking the verification link in the login verification email sent to that address in the manner required.
25. The Unique Play Code on each Chance Card Play entitles Entrants to play one (1) App Game only. A Chance Card Play cannot be registered more than once on the Application. If a Chance Card Play submitted by the Entrant has previously been used to access the Application, the Entrant will need to contact Monopoly Customer Support via <https://mcdonalds.com.au/monopoly-contact-us> during the Promotional Period. Customer Support will not be open on weekends and the following public holiday: Labour Day/King’s Birthday on **2/10/2023**.
26. Each App Game play must independently comply with these Conditions of Entry. The Promoter accepts no responsibility for late downloads, failure to properly register a Chance Card Play or late App Game plays via the Application. Registrations and App Game plays will be deemed to be accepted at the time of receipt and not at the time of transmission.
27. The App Game is for entertainment purposes only. Instant Win Food Prizes and Instant Win Non-Food Prizes are awarded on a random basis and the manner of an Entrant’s participation in the App Game does not affect the odds of winning.

USING THE APPLICATION

28. The Application can be downloaded on Apple devices operating iOS 15.0 or above (iPhone 6s and above, iPad Air 3rd gen and above) and Android devices operating Android 8.0 or above (Galaxy S7 and above and all Google Pixels). In the event that an Entrant’s mobile device does not meet the minimum required specifications an optional simplified version of the experience may be launched by the Entrant’s device through the Application’s menu (depending on the functionality and capability of the device). The minimum system requirements for the Application are iOS 15.0 or above (for Apple devices) and Android 8.0 or above (for Android devices). It is important to note that for some older phones, whilst the software version is above iOS 15.0 or Android 8.0, the device hardware may not support all functions of the Application.
29. To use all features of the Application, access Chance Card Code Plays, play the App Game, and reveal an Electronic Play, Entrants must enable 3G, 4G or 5G and/or Wi-Fi data connection on their mobile device in the manner required.

30. Entrants must have the bill payer's consent to use Internet or mobile Internet to use the Application. Some service providers and mobile devices may not provide access to mobile Internet and Entrants must check with their service provider if unsure. Downloading, accessing and using the Application and accessing and using mobile content including web-based content will incur data charges. Any external links and Application features that require Internet or mobile Internet connection may also incur data charges. Data charges will remain an Entrant's responsibility and will vary depending on the Internet service provider, usage plan or mobile carrier used (as applicable). Entrants will need to refer to the terms of the contracts with their mobile carrier, usage plan or Internet service provider (as applicable) for costs. The charges for all data services will appear on the Entrant's next mobile phone bill and/or Internet bill (as applicable). All general queries relating to carrier rates or mobile or Internet bills should be directed to the Entrant's mobile phone carrier or Internet service provider (as applicable).
31. If an Entrant is the driver of a vehicle (or other form of transport), the Entrant must not use the Application while the vehicle (or other form of transport) is moving or is stationary but not lawfully parked. Entrants must comply with all applicable road rules and regulations before and while using the Application. In the interests of safety at all other times, the Promoter recommends that Entrants only use the Application when it is lawful and safe to do so.
32. Subject to compliance with these Conditions of Entry, Entrants are granted a limited, non-exclusive, revocable and non-transferrable licence to install, access and use the Application on mobile devices the Entrant owns or lawfully controls. Entrants may only use the Application for personal and non-commercial use. Entrants may not decompile, reverse engineer, disassemble, convert or authorise any third party to decompile, reverse engineer, disassemble or otherwise convert, the Application to a human perceivable form; distribute or republish the Application in any way; resell, rent, lease or lend the Application; or transfer the Application or any content on the Application to any third party.
33. The use of any automated registration or App Game play software or any mechanical, electronic or other means that allows an Entrant to automatically register a Chance Card Play or play the App Game repeatedly other than in accordance with these Conditions of Entry is prohibited and will render the registration and all App Game plays by that Entrant invalid. App Game plays generated by script, macro, robotic, programmed or any other automated or other means to manipulate or alter the normal function of the Application or App Game are prohibited and will result in the disqualification of the Entrant and their App Game play.

EFTPOS \$500 E-GIFT CARD

Each eftpos \$500 E-Gift Card prize comprises of one (1) x gift card valued at \$500.

These Terms & Conditions govern the use and operation of your eftpos gift card (Card). Your Card is issued to you by TCN Group Pty Ltd ABN 87 626 501 568 (the Distributor).

By acquiring the Card, you accept these Terms & Conditions.

In these Terms & Conditions, “You” or “Your” refers to the person who acquires the Card, whether by purchasing the Card or receiving the Card as a gift.

The use of “Us”, “We” or “Our” refers to TCN Group Pty Ltd (TCN).

The Distributor is the distributor and promoter of the Card. The Distributor is also responsible for providing certain cardholder services to You. These services include providing You with Your Card, providing lost and stolen services and assisting You with any enquiries You may have regarding the use of Your Card.

Pays availability.

When We refer to “Pays”, we are referring to Apple Pay, Google Pay or Samsung Pay and further, when we refer to a “Device”, we are referring to a mobile phone or wearable device that allows You to store a Card to the Device. Pays availability is subject to Your respective Card program sponsor and device capability. Although the Card is Pays enabled, availability of the Pays is contingent upon the card program You have signed-up for.

In addition, Cardholders associated with Pays enabled programs must ensure their device is Pays capable. This means Your device must have the ability to store the Card and actuate a purchase.

Using the Card and Expiration

The Card is a prepaid eftpos card that can be used for purchasing goods and services where prepaid eftpos cards are accepted for electronic transactions (excluding transactions at ATMs or over the counter at financial institutions). Your Card cannot be used to make direct debit or recurring or regular instalment payments. Such attempted unauthorised use may result in Your Card being suspended or cancelled and any remaining value on Your Card being permanently forfeited. The card will expire according to the month and year found on Your tokenised card on Your device. The Card is valid until the expiry date and cannot be used after expiry. On the expiry of your Card, any balance that remains after the expiry date will not be available for use and will be forfeited by You and become the property of the Distributor. You must not use Your Card for any unlawful purpose, including the purchase of goods or services prohibited by the laws of Australia and/or the laws of the location where the Card is used or where the goods or services are provided. Should Your Card be used for unlawful purposes, we may restrict You from accessing any value available on Your Card.

Card Limitations

The Card cannot be used to make transactions that exceed the available balance. For such a transaction You need to pay the difference by another method if the merchant agrees. Authorisations may be declined at some merchants (such as gambling merchants or merchants who choose not to accept the Card). Merchants may also impose their own restrictions on the use of your Card, such as minimum payment amounts.

Your Card is not reloadable. This means that additional funds cannot be added onto Your Card.

The Card is not a credit card and nor is it linked to a deposit account with us. The Card cannot be used to obtain or redeem cash and cannot be used for making direct debit, recurring, or regular instalment payments.

Waivers

We are not liable in any way when an authorisation is declined for any particular transaction except where the authorisation has been declined because of an act or omission on Our part. We are not liable in circumstances where You have other cards stored on Your Device for payment and You inadvertently use the Card when using Your Device as a payment method. You must ensure that You select the correct card prior to using Your Device as a payment method. We are not otherwise liable for the use, functionality or availability of a Device, the availability of merchants who allow the use of the Device and Card as payment, or a reduced level of service caused by the failure of third-party communications and network providers (except to the extent deemed liable under the ePayments Code).

You must ensure that You keep Your Card secure. We are not liable for transactions on Your Card if:

- a) Your Device security measures are compromised.
- b) where You allow others access to, or the means to access, Your Device; or
- c) any other circumstances in which You allow others to circumvent the security measures of Your Device.

You are responsible for all transactions on Your Card, except those that are as a result of TCN employees and/or agent’s fraud or negligence. If Your Card is lost or stolen, or You suspect an

unauthorised transaction, You must immediately report this to TCN by calling 1300 375 346. Any unreasonable delay in notifying TCN may expose you to liability in respect of unauthorised transactions. The Card may not be replaced if misused, lost, stolen or damaged. We may (at Our discretion) replace a faulty, lost, or stolen Card. Any replacement Card will have the same unused value at the time of replacement and expiry date as the original Card. The Card will be void if it is defaced, mutilated, altered, or tampered with in any way.

Fees

We do not charge any fees for using the Card. However, some merchants may charge You for using the Card and such fees may be deducted from the balance of Your Card at the time of the transaction.

A Currency Conversion Fee is payable by You when You make a transaction on Your Card in a currency other than Australian dollars. A Currency Conversion Fee may also be payable if you make a transaction on your Card in any currency (including AUD) that is processed by a card scheme or financial institution or billed by the merchant outside of Australia. It may not always be clear, particularly when purchasing online, that the merchant, financial institution, or card scheme processing is located outside of Australia.

Refunds

Any refunds on Card transactions are subject to the policy of the specific merchant.

Refunds may be in the form of a credit to the Card, cash refund or in-store credit. If the Card expires or is revoked before You have spent any funds resulting from a refund (whether or not the original transaction being refunded was made using the Card) then You will have no access to those funds. This may also apply if You obtain a refund to a Card which has already expired. Refunds in currencies other than Australian dollars are converted to Australian dollars as at the date they are processed by using exchange rates determined by them. This may lead to the refund being converted using an exchange rate different from the one used to convert the original purchase. The converted Australian dollar amount appears on Your transaction history as the transaction amount.

Disputes, Complaints & General Queries

If You have a problem with a purchase made with the Card, or a dispute with a merchant, you must deal directly with the merchant involved.

If You cannot resolve the dispute with the merchant, you can contact TCN, and TCN at its discretion may offer assistance. We have the ability in certain circumstances to investigate disputed transactions which occur on Your Card and attempt to obtain a refund for You. In accordance with the eftpos scheme rules, which are available on eftposaustralia.com.au, Our ability to investigate a disputed transaction on Your behalf is limited to imposed timeframes. The maximum timeframes vary between 75 days and 120 days from the transaction date, so it is important that You notify Us as soon as You become aware of a disputed transaction.

If You notice any error relating to the Card or have a query about the Card, You should initially contact TCN by contacting Client Services during business hours on 1300 375 346 or support@thecardnetwork.com.au.

EFTPOS \$200 E-GIFT CARD

Each eftpos \$200 E-Gift Card prize comprises of one (1) x gift card valued at \$200.

These Terms & Conditions govern the use and operation of your eftpos gift card (Card). Your Card is issued to you by TCN Group Pty Ltd ABN 87 626 501 568 (the Distributor).

By acquiring the Card, you accept these Terms & Conditions.

In these Terms & Conditions, "You" or "Your" refers to the person who acquires the Card, whether by purchasing the Card or receiving the Card as a gift.

The use of "Us", "We" or "Our" refers to TCN Group Pty Ltd (TCN).

The Distributor is the distributor and promoter of the Card. The Distributor is also responsible for providing certain cardholder services to You. These services include providing You with Your Card, providing lost and stolen services and assisting You with any enquiries You may have regarding the use of Your Card.

Pays availability.

When We refer to "Pays", we are referring to Apple Pay, Google Pay or Samsung Pay and further, when we refer to a "Device", we are referring to a mobile phone or wearable device that allows You

to store a Card to the Device. Pays availability is subject to Your respective Card program sponsor and device capability. Although the Card is Pays enabled, availability of the Pays is contingent upon the card program You have signed-up for.

In addition, Cardholders associated with Pays enabled programs must ensure their device is Pays capable. This means Your device must have the ability to store the Card and actuate a purchase.

Using the Card and Expiration

The Card is a prepaid eftpos card that can be used for purchasing goods and services where prepaid eftpos cards are accepted for electronic transactions (excluding transactions at ATMs or over the counter at financial institutions). Your Card cannot be used to make direct debit or recurring or regular instalment payments. Such attempted unauthorised use may result in Your Card being suspended or cancelled and any remaining value on Your Card being permanently forfeited. The card will expire according to the month and year found on Your tokenised card on Your device. The Card is valid until the expiry date and cannot be used after expiry. On the expiry of your Card, any balance that remains after the expiry date will not be available for use and will be forfeited by You and become the property of the Distributor. You must not use Your Card for any unlawful purpose, including the purchase of goods or services prohibited by the laws of Australia and/or the laws of the location where the Card is used or where the goods or services are provided. Should Your Card be used for unlawful purposes, we may restrict You from accessing any value available on Your Card.

Card Limitations

The Card cannot be used to make transactions that exceed the available balance. For such a transaction You need to pay the difference by another method if the merchant agrees. Authorisations may be declined at some merchants (such as gambling merchants or merchants who choose not to accept the Card). Merchants may also impose their own restrictions on the use of your Card, such as minimum payment amounts.

Your Card is not reloadable. This means that additional funds cannot be added onto Your Card.

The Card is not a credit card and nor is it linked to a deposit account with us. The Card cannot be used to obtain or redeem cash and cannot be used for making direct debit, recurring, or regular instalment payments.

Waivers

We are not liable in any way when an authorisation is declined for any particular transaction except where the authorisation has been declined because of an act or omission on Our part. We are not liable in circumstances where You have other cards stored on Your Device for payment and You inadvertently use the Card when using Your Device as a payment method. You must ensure that You select the correct card prior to using Your Device as a payment method. We are not otherwise liable for the use, functionality or availability of a Device, the availability of merchants who allow the use of the Device and Card as payment, or a reduced level of service caused by the failure of third-party communications and network providers (except to the extent deemed liable under the ePayments Code).

You must ensure that You keep Your Card secure. We are not liable for transactions on Your Card if:

- a) Your Device security measures are compromised.
- b) where You allow others access to, or the means to access, Your Device; or
- c) any other circumstances in which You allow others to circumvent the security measures of Your Device.

You are responsible for all transactions on Your Card, except those that are as a result of TCN employees and/or agent's fraud or negligence. If Your Card is lost or stolen, or You suspect an unauthorised transaction, You must immediately report this to TCN by calling 1300 375 346. Any unreasonable delay in notifying TCN may expose you to liability in respect of unauthorised transactions. The Card may not be replaced if misused, lost, stolen or damaged. We may (at Our discretion) replace a faulty, lost, or stolen Card. Any replacement Card will have the same unused value at the time of replacement and expiry date as the original Card. The Card will be void if it is defaced, mutilated, altered, or tampered with in any way.

Fees

We do not charge any fees for using the Card. However, some merchants may charge You for using the Card and such fees may be deducted from the balance of Your Card at the time of the transaction.

A Currency Conversion Fee is payable by You when You make a transaction on Your Card in a currency other than Australian dollars. A Currency Conversion Fee may also be payable if you make a transaction on your Card in any currency (including AUD) that is processed by a card scheme or

financial institution or billed by the merchant outside of Australia. It may not always be clear, particularly when purchasing online, that the merchant, financial institution, or card scheme processing is located outside of Australia.

Refunds

Any refunds on Card transactions are subject to the policy of the specific merchant.

Refunds may be in the form of a credit to the Card, cash refund or in-store credit. If the Card expires or is revoked before You have spent any funds resulting from a refund (whether or not the original transaction being refunded was made using the Card) then You will have no access to those funds. This may also apply if You obtain a refund to a Card which has already expired. Refunds in currencies other than Australian dollars are converted to Australian dollars as at the date they are processed by using exchange rates determined by them. This may lead to the refund being converted using an exchange rate different from the one used to convert the original purchase. The converted Australian dollar amount appears on Your transaction history as the transaction amount.

Disputes, Complaints & General Queries

If You have a problem with a purchase made with the Card, or a dispute with a merchant, you must deal directly with the merchant involved.

If You cannot resolve the dispute with the merchant, you can contact TCN, and TCN at its discretion may offer assistance. We have the ability in certain circumstances to investigate disputed transactions which occur on Your Card and attempt to obtain a refund for You. In accordance with the eftpos scheme rules, which are available on eftposaustralia.com.au, Our ability to investigate a disputed transaction on Your behalf is limited to imposed timeframes. The maximum timeframes vary between 75 days and 120 days from the transaction date, so it is important that You notify Us as soon as You become aware of a disputed transaction.

If You notice any error relating to the Card or have a query about the Card, You should initially contact TCN by contacting Client Services during business hours on 1300 375 346 or support@thecardnetwork.com.au.

Disclaimers

- You are responsible for all transactions on the Card, except where there has been fraud or negligence by Our staff or agents.
- We may restrict or stop the use of the Card if suspicious activities are noticed.

EFTPOS \$5,000 E-GIFT CARD

Each \$5,000 Digital eftpos Gift Card prize comprises of two (2) x digital eftpos gift cards valued at \$2,500.

These Terms & Conditions govern the use and operation of your eftpos gift card (Card). Your Card is issued to you by TCN Group Pty Ltd ABN 87 626 501 568 (the Distributor).

By acquiring the Card, you accept these Terms & Conditions.

In these Terms & Conditions, "You" or "Your" refers to the person who acquires the Card, whether by purchasing the Card or receiving the Card as a gift.

The use of "Us", "We" or "Our" refers to TCN Group Pty Ltd (TCN).

The Distributor is the distributor and promoter of the Card. The Distributor is also responsible for providing certain cardholder services to You. These services include providing You with Your Card, providing lost and stolen services and assisting You with any enquiries You may have regarding the use of Your Card.

Pays availability.

When We refer to "Pays", we are referring to Apple Pay, Google Pay or Samsung Pay and further, when we refer to a "Device", we are referring to a mobile phone or wearable device that allows You to store a Card to the Device. Pays availability is subject to Your respective Card program sponsor and device capability. Although the Card is Pays enabled, availability of the Pays is contingent upon the card program You have signed-up for.

In addition, Cardholders associated with Pays enabled programs must ensure their device is Pays capable. This means Your device must have the ability to store the Card and actuate a purchase.

Using the Card and Expiration

The Card is a prepaid eftpos card that can be used for purchasing goods and services where prepaid eftpos cards are accepted for electronic transactions (excluding transactions at ATMs or over the counter at financial institutions). Your Card cannot be used to make direct debit or recurring or regular instalment payments. Such attempted unauthorised use may result in Your Card being suspended or cancelled and any remaining value on Your Card being permanently forfeited. The card will expire according to the month and year found on Your tokenised card on Your device. The Card is valid until the expiry date and cannot be used after expiry. On the expiry of your Card, any balance that remains after the expiry date will not be available for use and will be forfeited by You and become the property of the Distributor. You must not use Your Card for any unlawful purpose, including the purchase of goods or services prohibited by the laws of Australia and/or the laws of the location where the Card is used or where the goods or services are provided. Should Your Card be used for unlawful purposes, we may restrict You from accessing any value available on Your Card.

Card Limitations

The Card cannot be used to make transactions that exceed the available balance. For such a transaction You need to pay the difference by another method if the merchant agrees. Authorisations may be declined at some merchants (such as gambling merchants or merchants who choose not to

accept the Card). Merchants may also impose their own restrictions on the use of your Card, such as minimum payment amounts.

Your Card is not reloadable. This means that additional funds cannot be added onto Your Card.

The Card is not a credit card and nor is it linked to a deposit account with us. The Card cannot be used to obtain or redeem cash and cannot be used for making direct debit, recurring, or regular instalment payments.

Waivers

We are not liable in any way when an authorisation is declined for any particular transaction except where the authorisation has been declined because of an act or omission on Our part. We are not liable in circumstances where You have other cards stored on Your Device for payment and You inadvertently use the Card when using Your Device as a payment method. You must ensure that You select the correct card prior to using Your Device as a payment method. We are not otherwise liable for the use, functionality or availability of a Device, the availability of merchants who allow the use of the Device and Card as payment, or a reduced level of service caused by the failure of third-party communications and network providers (except to the extent deemed liable under the ePayments Code).

You must ensure that You keep Your Card secure. We are not liable for transactions on Your Card if:

- a) Your Device security measures are compromised.
- b) where You allow others access to, or the means to access, Your Device; or
- c) any other circumstances in which You allow others to circumvent the security measures of Your Device.

You are responsible for all transactions on Your Card, except those that are as a result of TCN employees and/or agent's fraud or negligence. If Your Card is lost or stolen, or You suspect an unauthorised transaction, You must immediately report this to TCN by calling 1300 375 346. Any unreasonable delay in notifying TCN may expose you to liability in respect of unauthorised transactions. The Card may not be replaced if misused, lost, stolen or damaged. We may (at Our discretion) replace a faulty, lost, or stolen Card. Any replacement Card will have the same unused value at the time of replacement and expiry date as the original Card. The Card will be void if it is defaced, mutilated, altered, or tampered with in any way.

Fees

We do not charge any fees for using the Card. However, some merchants may charge You for using the Card and such fees may be deducted from the balance of Your Card at the time of the transaction.

A Currency Conversion Fee is payable by You when You make a transaction on Your Card in a currency other than Australian dollars. A Currency Conversion Fee may also be payable if you make a transaction on your Card in any currency (including AUD) that is processed by a card scheme or financial institution or billed by the merchant outside of Australia. It may not always be clear, particularly when purchasing online, that the merchant, financial institution, or card scheme processing is located outside of Australia.

Refunds

Any refunds on Card transactions are subject to the policy of the specific merchant.

Refunds may be in the form of a credit to the Card, cash refund or in-store credit. If the Card expires or is revoked before You have spent any funds resulting from a refund (whether or not the original transaction being refunded was made using the Card) then You will have no access to those funds. This may also apply if You obtain a refund to a Card which has already expired. Refunds in currencies other than Australian dollars are converted to Australian dollars as at the date they are processed by using exchange rates determined by them. This may lead to the refund being converted using an exchange rate different from the one used to convert the original purchase. The converted Australian dollar amount appears on Your transaction history as the transaction amount.

Disputes, Complaints & General Queries

If You have a problem with a purchase made with the Card, or a dispute with a merchant, you must deal directly with the merchant involved.

If You cannot resolve the dispute with the merchant, you can contact TCN, and TCN at its discretion may offer assistance. We have the ability in certain circumstances to investigate disputed transactions which occur on Your Card and attempt to obtain a refund for You. In accordance with the eftpos scheme rules, which are available on eftposaustralia.com.au, Our ability to investigate a disputed transaction on Your behalf is limited to imposed timeframes. The maximum timeframes vary

between 75 days and 120 days from the transaction date, so it is important that You notify Us as soon as You become aware of a disputed transaction.

If You notice any error relating to the Card or have a query about the Card, You should initially contact TCN by contacting Client Services during business hours on 1300 375 346 or support@thecardnetwork.com.au.

By acquiring the Card, you accept these Terms & Conditions.

In these Terms & Conditions, "You" or "Your" refers to the person who acquires the Card, whether by purchasing the Card or receiving the Card as a gift.

The use of "Us", "We" or "Our" refers to TCN Group Pty Ltd (TCN).

The Distributor is the distributor and promoter of the Card. The Distributor is also responsible for providing certain cardholder services to You. These services include providing You with Your Card, providing lost and stolen services and assisting You with any enquiries You may have regarding the use of Your Card.

Pays availability.

When We refer to "Pays", we are referring to Apple Pay, Google Pay or Samsung Pay and further, when we refer to a "Device", we are referring to a mobile phone or wearable device that allows You to store a Card to the Device. Pays availability is subject to Your respective Card program sponsor and device capability. Although the Card is Pays enabled, availability of the Pays is contingent upon the card program You have signed-up for.

In addition, Cardholders associated with Pays enabled programs must ensure their device is Pays capable. This means Your device must have the ability to store the Card and actuate a purchase.

Using the Card and Expiration

The Card is a prepaid eftpos card that can be used for purchasing goods and services where prepaid eftpos cards are accepted for electronic transactions (excluding transactions at ATMs or over the counter at financial institutions). Your Card cannot be used to make direct debit or recurring or regular instalment payments. Such attempted unauthorised use may result in Your Card being suspended or cancelled and any remaining value on Your Card being permanently forfeited. The card will expire according to the month and year found on Your tokenised card on Your device The Card is valid until the expiry date and cannot be used after expiry. On the expiry of your Card, any balance that remains after the expiry date will not be available for use and will be forfeited by You and become the property of the Distributor. You must not use Your Card for any unlawful purpose, including the purchase of goods or services prohibited by the laws of Australia and/or the laws of the location where the Card is used or where the goods or services are provided. Should Your Card be used for unlawful purposes, we may restrict You from accessing any value available on Your Card.

Card Limitations

The Card cannot be used to make transactions that exceed the available balance. For such a transaction You need to pay the difference by another method if the merchant agrees. Authorisations may be declined at some merchants (such as gambling merchants or merchants who choose not to accept the Card). Merchants may also impose their own restrictions on the use of your Card, such as minimum payment amounts.

Your Card is not reloadable. This means that additional funds cannot be added onto Your Card.

The Card is not a credit card and nor is it linked to a deposit account with us. The Card cannot be used to obtain or redeem cash and cannot be used for making direct debit, recurring, or regular instalment payments.

Waivers

We are not liable in any way when an authorisation is declined for any particular transaction except where the authorisation has been declined because of an act or omission on Our part. We are not liable in circumstances where You have other cards stored on Your Device for payment and You inadvertently use the Card when using Your Device as a payment method. You must ensure that You select the correct card prior to using Your Device as a payment method. We are not otherwise liable for the use, functionality or availability of a Device, the availability of merchants who allow the use of the Device and Card as payment, or a reduced level of service caused by the failure of third-party communications and network providers (except to the extent deemed liable under the ePayments Code).

You must ensure that You keep Your Card secure. We are not liable for transactions on Your Card if:

- a) Your Device security measures are compromised.

- b) where You allow others access to, or the means to access, Your Device; or
- c) any other circumstances in which You allow others to circumvent the security measures of Your Device.

You are responsible for all transactions on Your Card, except those that are as a result of TCN employees and/or agent's fraud or negligence. If Your Card is lost or stolen, or You suspect an unauthorised transaction, You must immediately report this to TCN by calling 1300 375 346. Any unreasonable delay in notifying TCN may expose you to liability in respect of unauthorised transactions. The Card may not be replaced if misused, lost, stolen or damaged. We may (at Our discretion) replace a faulty, lost, or stolen Card. Any replacement Card will have the same unused value at the time of replacement and expiry date as the original Card. The Card will be void if it is defaced, mutilated, altered, or tampered with in any way.

Fees

We do not charge any fees for using the Card. However, some merchants may charge You for using the Card and such fees may be deducted from the balance of Your Card at the time of the transaction.

A Currency Conversion Fee is payable by You when You make a transaction on Your Card in a currency other than Australian dollars. A Currency Conversion Fee may also be payable if you make a transaction on your Card in any currency (including AUD) that is processed by a card scheme or financial institution or billed by the merchant outside of Australia. It may not always be clear, particularly when purchasing online, that the merchant, financial institution, or card scheme processing is located outside of Australia.

Refunds

Any refunds on Card transactions are subject to the policy of the specific merchant.

Refunds may be in the form of a credit to the Card, cash refund or in-store credit. If the Card expires or is revoked before You have spent any funds resulting from a refund (whether or not the original transaction being refunded was made using the Card) then You will have no access to those funds. This may also apply if You obtain a refund to a Card which has already expired. Refunds in currencies other than Australian dollars are converted to Australian dollars as at the date they are processed by using exchange rates determined by them. This may lead to the refund being converted using an exchange rate different from the one used to convert the original purchase. The converted Australian dollar amount appears on Your transaction history as the transaction amount.

Disputes, Complaints & General Queries

If You have a problem with a purchase made with the Card, or a dispute with a merchant, you must deal directly with the merchant involved.

If You cannot resolve the dispute with the merchant, you can contact TCN, and TCN at its discretion may offer assistance. We have the ability in certain circumstances to investigate disputed transactions which occur on Your Card and attempt to obtain a refund for You. In accordance with the eftpos scheme rules, which are available on eftposaustralia.com.au, Our ability to investigate a disputed transaction on Your behalf is limited to imposed timeframes. The maximum timeframes vary between 75 days and 120 days from the transaction date, so it is important that You notify Us as soon as You become aware of a disputed transaction.

If You notice any error relating to the Card or have a query about the Card, You should initially contact TCN by contacting Client Services during business hours on 1300 375 346 or support@thecardnetwork.com.au.
